

Garbage Collection Calendar

- When putting out burnable waste, non-burnable waste, and plastic containers and packaging, place them in the garbage bags designated by Inazawa City.
- Put garbage at the collection spot designated for your area. Never put garbage in a spot for another area. Each household may put out up to five bags of garbage.
- Put out garbage in the morning on collection days. Collection starts at 8:30 a.m.
- A warning sticker will be left on any garbage that does not adhere to the rules. Be sure to follow the separation rules.
- If your garbage bags are left behind after collection, sort out the garbage properly and put it out on a later date.
- Punch a hole in empty spray cans and gas cartridges, and put them out as recyclables.
- No garbage is collected during the period of December 29 to January 3, except on special collection days.

Area \ Category	Inazawa Community Center	Kosho Community Center	Orizu Community Center	Meiji Community Center	Chiyoda Community Center

Environmental Facilities Division (Environmental Center, Inazawa City)

- Make sure to separate burnable, non-burnable, and bulk wastes before bringing them to the center.
- Put burnable and non-burnable wastes in 45-liter or smaller transparent garbage bags or the designated garbage bags, and bring them yourself.
- The center does not accept items subject to the Home Appliance Recycling Act, types of garbage not collected in the city, plastic containers or packaging, or garbage put in cardboard boxes.

Address: 74 Nakanokawabata-cho, Inazawa City

Collection days: Weekdays (morning and afternoon)

Reception time

- Morning: 8:45 a.m. to 11:45 a.m.
- Afternoon: 1:00 p.m. to 4:30 p.m.

Disposal fee: 200 yen per 10 kg*
*As of 2021

*For details, see the "Recyclables and Garbage Separation Dictionary" (Carry-in at the Environmental Center).

Garbage generated in business activities (general waste from business establishments such as restaurants and offices) is not collected. Request collection by a general waste disposal service authorized by the city or bring such garbage directly to the Environmental Center (sort it out by type, and put it in 45-liter or smaller transparent garbage bags). No industrial waste is accepted.
